DELTA GREEN: Fire From Heaven

1968. As the Tet Offensive sweeps across Vietnam, six agents of DELTA GREEN embark on an expedition to a mysterious temple in the deep jungle. So many have died already on this mission, you can't let their sacrifices be in vain. Can you find the temple before the sky falls down?

DELTA GREEN: On a Bank, By Moonlight

It is 1968. DELTA GREEN is a top secret program within the US national security apparatus, dedicated to investigating and eliminating the Unnatural, – whatever the cost. The Agents are dispatched to a small town in New York state to investigate a pair of deaths. One deliberate, one seemingly a tragic accident, but both victims linked to the commune of devotees of psychology professor turned guru, Dr. Weyland Weber. Can the Agents discover what's going on before someone opens a door that should remain closed?

DELTA GREEN: Operation ALADDIN'S CAVE

Marines at a firebase in Quang Tri province have found something in a Viet Cong tunnel complex. Something they shouldn't have found. Something they shouldn't have seen. DELTA GREEN tasks your Agents to find out what the Marines shouldn't have found, see what they shouldn't have seen, and try to put the genie back in the bottle ...
