At any time you may **spend a token** from this card to **describe how your personal relationship with this Icon** grants you one of the following:

- ◆ Reroll a d20 you just rolled, taking either.
- ◆ Add a +5 bonus to a d20 you just rolled.
- ◆ Introduce a story element of your design that allows you and your allies to attempt to solve a problem in a new, creative way.

If you **spend an unambiguous token** you gain the benefit without trouble. If you **spend a complicated token** the GM will introduce a twist some time after you gain your chosen benefit.

◆ ◆ ◆
At the beginning of each session roll your Relationship dice for this Icon. For every 5 rolled **add a complicated token** to this card. For every 6 rolled **add an unambiguous token**. Unused tokens are lost at the end of a session.
